

HEXCEL STRETCH

**HEXCEL
PACK**

Paper Outperforming Plastic

Paper Based Pallet Wrap with Power Stretch Technology

- Curbside recyclable
- Reusable as void fill
- Eliminates the use of plastic for pallet wrapping
- Can be used on many traditional semi-automatic and robotic pallet wrapping machines.
- PEFC certified Canadian virgin kraft

Specifications:

Part	HSPW50
Description	Industrial Roll - Kraft
Width	20in / 50.8cm
Length	2100ft / 640.08m expanded
Weight per Roll	30lb / 13.6078kg
Roll per Pallet	32

Recommendations:

Pallets over 1250 pounds would benefit from a grip sheet.
